# THE BOSTON CONFERENCE CENTER

is proud to announce a partnership with Team Bonding to offer more than 50 totally unique and innovative Team Building programs to enhance your next outing.

# Team Building Programs for the Boston Conference Center

# Innovative Team Building Games

## **Corporate Olympics**

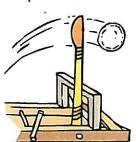

The group breaks up into subteams that engage in a series of wacky semi-athletic events including: Hoop de Loop Relay Race, Hula Hoop Contests, Flatland Ski Races, Obstacle Course, Elimination Volleyball, Topple Ball, Fireman's Brigade and Water Balloon Launch.

Prizes for the best teams are awarded as the winners are serenaded with "We are the Champions" during the medals ceremony.

## Catapult to Success

Participants design and build a fully functional catapult and then complete challenges of distance

and accuracy. After they brainstorm a plan, they test launch the prototypes. Then comes the team refinements, more negotiating and bartering. Teams are provided with a unique set of materials and a budget to buy or negotiate with other

teams for more. Teams first test themselves against other teams and then come together to work together with the other teams to create the most efficient catapult.

## Play to Win

Unleash your team's full potential in this half-day program featuring a customized combination of Ice Breakers, Energizers and Team Challenges. Cooperation is the key and everyone wins in the end!

## Return of the Titanic

Participants divide into small project teams. Each is charged with the challenge of building a raft from a

limited supply of resources (i.e. barrels, boards, and rope.) Your vessel must be capable of transporting several team members and your team flag. Navigate through an obstacle course to a dock or buoy on a

body of water and then (hopefully) all the way back to shore. All members of your crew must coordinate efforts to brainstorm, create and build the raft.

## You're In the Game

Teams move around a giant game board attempting to earn points. The game board is made up of trivia and team challenge spots. The music starts, the extralarge dice are rolled and the game begins! Teams must move around the board, as a team, and complete trivia or team challenges to earn points. Points are also given for team spirit, encouraging a fun atmosphere. Can be customized to include company info.

# THE BOSTON CONFERENCE CENTER

# Scavenger & Treasure Hunts

### Keys to Success Scavenger Hunt

This one-of-a-kind hunt challenges teams to locate and open several special lock boxes hidden throughout the event area. Each box contains an essential clue needed to solve the big puzzle and locate the final treasure however teams are only given a few keys to start so interaction with the other teams and resourcefulness are essential.

#### **GPS Scavenger Hunt**

Our high-tech treasure hunt equips each team with its very own Global Positioning System satellite navigation receiver. Every team member will get the chance to use this fun piece of advanced technology. Getting lost becomes

part of the fun, as the equipment is constantly updated from outer space to lead the team back on course. You'll have to work quickly, as there's rumored to be a rival team searching for the same treasures. Together, teams solve puzzles, collect prizes, and race to find the fabled mother lode of booty, which awaits the most effective team.

#### X Marks the Spot

Your group is divided into sub-teams that engage in a competitive hunt combining hidden characters and team challenges. The hunt has been designed for the Boston Conference Center and can be adapted for your outing theme. You'll need to use your creativity to be the winning team and you'll have a lot of fun along the way!

# **Culinary Team Building**

## Chili & Chowda Cookoffs

Members of your company purchase ingredients from a general store, barter for additional ingredients between the teams and then create the best darn chili/chowder ever. Teams

then design a marketing campaign to promote their culinary marvel, complete with an artistic sales pitch and commercial jingle.
